

PREMIUM INFORMATION

Blue Cross Blue Shield of Arizona can only raise your premium if we raise the premium for all contracts like yours in this state. Should this occur, you will receive a 30-day notice.

Standard Rate

If you don't qualify for the BlueValue rate, you will receive a standard rate.

In certain situations, you may be automatically eligible to receive the BlueValue rate, regardless of your medical history.

The initial Early-bird discount is 25 percent lower than the BlueValue rate of the plan you select.
