

## Provider Information – Out-of-pocket costs will differ depending on which type of provider is selected.

### In-Network Providers (Contracted)

In-network providers are eligible providers who meet one of the following criteria: (1) are contracted with Blue Cross Blue Shield of Arizona; or (2) are located out-of-state and licensed in the United States, and contracted with an out-of-state Blue Cross and/or Blue Shield Plan (“Host Blue”) as PPO providers. In-network providers will file members’ claims with Blue Cross Blue Shield of Arizona or the Host Blue plan. In-network providers cannot charge more than the allowed amount for covered services.\* Members have lower out-of-pocket costs for covered services when they use in-network providers.

### Out-of-Network Providers (Contracted and Noncontracted)

Out-of-network providers are eligible providers who meet any of the following criteria: (1) are not contracted with Blue Cross Blue Shield of Arizona (BCBSAZ); (2) are contracted with a Host Blue as “Participating-only” Providers; or (3) are contracted with the BlueCard Worldwide program. Noncontracted providers are not obligated to file members’ claims. Members have higher out-of-pocket costs for covered services when they use out-of-network providers.

### Allowed Amount

The allowed amount is the total amount of reimbursement allocated to a covered service and includes both the BCBSAZ payment and the member cost share payment. It does not include any balance bill. The allowed amount is not tied to and does not necessarily reflect the fees that providers in any given area usually charge for services.

For claims from providers contracted with BCBSAZ and for non-emergency claims from noncontracted providers, BCBSAZ generally bases the allowed amount on the lesser of the provider’s billed charges or the applicable BCBSAZ fee schedule, with adjustments for any negotiated contractual arrangements and certain claims editing procedures. For claims from out-of-state providers contracted with a Host Blue plan, BCBSAZ generally bases the allowed amount on the lesser of the provider’s billed charges or the contractual price the Host Blue plan has negotiated with that provider. For emergency services from a noncontracted provider, BCBSAZ bases the allowed amount on billed charges. BCBSAZ develops its proprietary fee schedules from annual reviews of numerous data sources.

### Payment of Reimbursement

BCBSAZ or the Host Blue reimburses **contracted providers** the allowed amount, minus any portion allocated to member cost-share. When a member sees a **noncontracted provider**, BCBSAZ reimburses the **member** the allowed amount, minus any portion allocated to member cost-share.

### Balance Bills

The balance bill refers to the amount members may be charged for the difference between a noncontracted provider’s billed charges and the allowed amount (“balance bill”). Balance bills can be substantial.

Contracted providers have agreed to accept the allowed amount for covered services. They will not charge members for the balance bill. They will collect only the member’s cost-share portion, such as deductible, coinsurance, access fee or copay amounts. \*However, when there is another source of payment, such as a liability insurer or government payer, contracted providers may be entitled to collect their balance bill from the other source or from proceeds received from the other source.

Noncontracted providers have no obligation to accept the allowed amount as payment in full. **All noncontracted providers may bill you up to their full billed charges.** Members are responsible for paying up to a noncontracted provider’s billed charges for covered services, even though BCBSAZ will reimburse members’ claims based on the allowed amount, less any deduction for the member’s cost share portion. Depending on what billing arrangements members make with a noncontracted provider, the provider may charge members for full billed charges at the time of service, or seek to balance bill members for the difference between billed charges and the amount of BCBSAZ reimbursement. Any amounts paid for balance bills do not count toward deductible, coinsurance or any out-of-pocket coinsurance maximum.

# BlueEssential PPO Plan Benefit Summary

	IN-NETWORK PROVIDER	OUT-OF-NETWORK PROVIDER*
<b>Deductible (Calendar-year)</b> Copays and access fees do not count toward the deductible. In-network deductibles are accumulated separately from out-of-network deductibles. All deductibles are based on allowed amount and must be met for all covered services unless otherwise stated.	<u>Per member</u> <b>\$250, \$500, \$1,000, \$2,000, \$3,000, \$5,000, \$7,500 and \$10,000</b>  <u>Family</u> <b>\$750, \$1,500, \$3,000, \$6,000, \$9,000, \$15,000, \$22,500 and \$30,000</b>	<u>Per member</u> <b>\$750, \$1,000, \$1,500, \$2,500, \$3,500, \$5,500, \$8,000 and \$10,500</b>  <u>Family</u> <b>\$2,250, \$3,000, \$4,500, \$7,500, \$10,500, \$16,500, \$24,000 and \$31,500</b>
<b>Coinsurance</b> This is a percentage you must pay for covered services after meeting the calendar-year deductible. You will pay a higher coinsurance percentage when using an out-of-network provider. Coinsurance is based on the allowed amount and not on a provider's billed charges.	BCBSAZ pays <b>60%</b> , you pay <b>40% (60%/40%)</b> of the allowed amount for most covered services, after meeting deductible, unless a different coinsurance percentage is indicated.	BCBSAZ pays <b>50%</b> , you pay <b>50% (50%/50%)</b> of the allowed amount for most covered services, after meeting deductible, unless a different coinsurance percentage is indicated.
<b>Coinsurance calculation and accumulation towards out-of-pocket coinsurance maximum</b>	Coinsurance payments are based on the Allowed Amount, after deductions for any access fees and precertification charges. Coinsurance is not based on a provider's billed charges. Only the portion of coinsurance paid by the member, as based on the Allowed Amount, will accumulate towards the out-of-pocket coinsurance maximum. Many cost share payments do not count toward the out-of-pocket maximum, including: deductibles, copays, access fees, certain other charges listed in the benefit plan booklet, precertification charges, amounts paid for noncovered services, and out-of-network providers' balance bills. To determine whether a specific cost share payment counts toward the maximum, refer to the benefit plan booklet. You must continue to pay all these cost share amounts even after meeting the maximum.	
<b>Out-of-Pocket Coinsurance Maximum (Calendar-year)</b> The in-network out-of-pocket coinsurance maximum is accumulated separately from the out-of-network out-of-pocket coinsurance maximum.	<b>\$4,000</b> per member	<b>\$8,000</b> per member

- 1 Services you receive from an in-network primary care physician (PCP) are subject to an annual copay dollar limit. After you have received PCP services and paid copays totaling the copay dollar limit, PCP services are subject to deductible and coinsurance. If you reach your annual PCP copay dollar limit in the middle of a claim, your in-network deductible and coinsurance will apply at the point you reach the limit, resulting in cost-share with a partial copay, as well as deductible and coinsurance. BCBSAZ applies claims toward the limit in the order that claims are received, which may be different from the date order in which you receive services.
  - 2 Precertification is required for certain medications including all specialty self-injectable medications. Lists of medications that require precertification and the process for obtaining precertification is available on the BCBSAZ Web site at [azblue.com](http://azblue.com) or by calling BCBSAZ at (602) 864-4273 or (800) 232-2345, ext. 4273. Otherwise covered eligible medications will not be covered if precertification is not obtained when required.
  - 3 Precertification is required. If precertification is not obtained, services will not be covered or you will be subject to a precertification charge.
- \* Noncontracted providers may charge members their full billed charges. After insurance reimbursement based on the allowed amount, less any deduction for the member's cost share portion, members are responsible to pay the balance bill. The obligation to pay the balance bill continues even after the member's out-of-pocket coinsurance maximum is met.

- BCBSAZ Medical Coverage Guidelines are BCBSAZ medical, dental and administrative criteria that are developed from review of published, peer-reviewed medical and dental literature and other relevant information and used to help BCBSAZ determine whether a service, procedure, medical device or medication is eligible for benefits under a member's benefit plan. For services to be eligible for coverage under this benefit plan, the services must, in addition to other specified requirements, be considered medically necessary by BCBSAZ based on the BCBSAZ Medical Coverage Guidelines that are available upon request. Please refer to the precertification requirements in the benefit plan booklet, which will be sent to the member upon enrollment or upon request prior to enrollment.
